Greetings and Introductions

Summer 2012 Executive Meeting Minutes reviewed
Motion to Accept – H. Slayton  Seconded – L. Foe
Accepted by majority vote

Reviewed 2012 Budget

Reviewed and adjusted the 2013 Budget
Motion to Accept – R. Taylor  Seconded – H. Slayton
Accepted by majority vote

Discussion on hosting the 2017 National Convention
C. Reeves started the discussion with general information from the letter from the National office, highlighting the general needs of KTSAF. Major topics included: the number of volunteers needed; $10,000 to the KTSAF for their part; the large amount of time involved by the key volunteers; and the amount of interest in participation by current KT members, specifically from Kentucky.

It was decided that the persons to take the General and Volunteer Coordinator Chairs would be decided on by June 2015 (Summer meeting), starting that position in January 2016 and holding it for an approximate 22 month timeframe.

D. Walters suggested that the KDF and Univ. of Kentucky be approached and asked to be a source of support before and during the Convention preparation.

Agreed to accept the invitation to host and to take it to the General Membership at the Jan. 25 Business Meeting made by C. Reeves.  Accepted by majority vote

SE Chapter Dissolve
SE Chapter members made a request that the Chapter be dissolved and the current members be absorbed by both the Middle TN and Eastern TN Chapters. General Committee agreement was to not grant the request and that the neighboring Chapters be available to help with any upcoming KTSAF Meetings in which the SE Chapter is slated to host.
KY Wild Pig Task Force
KTSAF was asked by this entity to support their cause by joining and to allow our KTSAF logo to be adapted to their brochure. The KTSAF membership would have no other obligations. C. Reeves name and contact information will remain on this partnership in perpetuity.

Motion to Accept – T. Phelps  Seconded – B. Andersen
Accepted by majority vote

Committee, Chapter and Organizational Reports

Some written reports were submitted to the KTSAF Chair. Other reports were verbally discussed and are as follows:

University of Kentucky
- Person holding an Extension position has retired and an Extension/Teaching position will take its place.
- Twenty-four students are in attendance for the winter meeting.

University of Tennessee
- 2 professors have retired (Ostemier and Wilson) but will continue on for another 2 years.
- Main building housing the Forestry Department is slated to be torn down in 2014 and a new building erected in the same location before 2016. Personal will be dislocated around eth campus during the timeframe.

Consulting Foresters
- Market seems to be showing a positive improvement.

Forest Industry
- Paper prices showing a 3% decline each year.

General Business

D. Walters suggested that since Sewanee students are not eligible for a SAF ring at graduation, the KTSAF help fund the cost of these rings for Forestry Students that are members of SAF. Money would be taken from the Student Development Fund. General agreement to this motion was made and the Chair asked D. Walters to gather more information from the Sewanee representative and report back to Executive Committee.

C. Reeves asked for discussion about extending the current Executive Committee duration from 1-year to a 2-year term, mimicking the majority of SAF Regional Divisions. There was no interest in extending to a 2-year term therefore discussion terminated.

R. Evens presented the discussion of the future need for the Teller Position since ballots are sent mostly by electronic means. It was decided that the Teller position should remain on for the need of non-electronic ballots.

Meeting Adjourned- motion made by H. Slayton and seconded by Tim Phelps.

Dear Mr. Reeves and Mr. Phelps,

On behalf of the Council members and staff of the Society of American Foresters, we are pleased to announce that the SAF would like to come to Louisville, Kentucky for the 2017 National Convention. The Council agreed that the opportunity to experience Louisville’s many attractions, including the scenic riverfront, historic downtown, many historic parks, and unique venues such as the Louisville Slugger factory and Muhammad Ali museum’s diversity program would be of great benefit to the SAF members. Of course, we want to ensure that the Kentucky-Tennessee SAF would welcome the convention and serve as the host state society for the 2017 SAF National Convention in Louisville. In consideration of your state society’s support of the convention and assistance with the various hosting activities the Kentucky-Tennessee SAF will receive $10,000 after the convention has been completed.

Convention planning is a complex undertaking. The planning and conduct of the SAF convention is a partnership consisting of the Committee on National Convention Programs, the SAF professional team, the local host society and the SAF membership. In short, the SAF staff provides expertise in the areas of budgeting and contracting, convention management, marketing, exhibit management, convention center and hotel arrangements, tour and motor coach operation, and audio visual/equipment facilitation. The hosting state society will provide expertise in the areas of technical field tour locations, student activities, assistance in local promotions, onsite volunteers and so forth. I have attached the planning guide being used by the Appalachian SAF for 2013, which outlines the general volunteer responsibilities for a hosting state society.

The SAF President will appoint a 2017 Convention General Chair and Program Chair to help guide the program planning process and assist the SAF staff with logistics and obtaining sponsorships. The General Chair is generally a member of the hosting state society, while the Program Chair will be chosen from the national membership. Both will participate in the meetings of the 2016 Committee on National Convention Programs in 2015 to become familiar with the program planning process, which for 2017 will begin in 2016. In concert with the SAF Council’s strategic objectives, we strive to develop a strong team whose members represent the various areas of forestry and have the necessary leadership skills and work styles that meet the convention goals.

Please consider this a letter of agreement between the Kentucky-Tennessee Society of American Foresters and the SAF National Office. This agreement will serve as a commitment of the partnership
between the SAF National Office and the hosting society to ensure the success of the convention. This commitment will be used as part of the overall 2017 planning process. In order for the staff to proceed with the necessary contracts, please respond by Friday, January 11, 2013 regarding the state society's decision to host or decline the 2017 convention.

On behalf of the SAF staff, Council and members, I look forward to your thoughts. Please feel free to contact me should you have any questions.

Sincerely,

Michael T. Goergen, Jr.
Executive Vice-President and Chief Executive Officer

This SAF Winter Meeting has been approved for 5 CFE Credits.
Scholarship recipients were **Luke Biscan** from *The University of Kentucky*, **Cameron M. Stauder** from *The University of Tennessee*, and **John T. Mulloy** from *The University of the South*.

The Journal of Forestry and the Forestry Source list many continuing education opportunities. SAF also has a web site that lists education opportunities: [http://www.safnet.org/education/conedcalendar.cfm](http://www.safnet.org/education/conedcalendar.cfm). It is very important for foresters to continue their education. These are just a few of the ways to accomplish that goal.

The committee encourages each chapter to conduct a “Walk in the Forest” on or near Earth Day. Past "Walks" have been very worthwhile.

Each forester should take the opportunity to participate in Project Learning Tree ([www.plt.org](http://www.plt.org)), Project Wet ([www.projectwet.org](http://www.projectwet.org)), and/or Project Wild ([www.projectwild.org](http://www.projectwild.org)) as a mean of assisting educators in providing a balanced approach to environmental education. If you attend any of the workshops, I promise you will learn about education from an educator’s view. If you are interested in attending any of the workshops, let me know and I will try to find one that is being offered near you.

Christopher Reeves sent membership packets to the 2012 potential member list (252) as well as potential members from the Kentucky Division of Forestry, Tennessee Division of Forestry and the US Forest Service. Special focus was placed on the USFS. The USFS preferred that we send the packets to their offices for distribution to their foresters.

2012 Annual Report of the
Membership Information Committee

Presented at the
KTSAF Winter Meeting, Jackson, Tennessee, January 23, 2013

Newsletter:

Greg Bailey has been appointed as Co-chair of the Membership Information Committee specifically in charge of the newsletter in 2012.

Four issues (February, May, August and November) of the KTSAF Newsletter were produced and distributed to KTSAF members, Council Members, and Chairs and Newsletter Editors of other SAF State Societies. For each edition, about 350 copies were distributed by email and about 29 copies were sent through the US Postal Service. Archives of the newsletters are on the KTSAF website.

The total cost of printing and mailing the newsletter for 2012 was $269.84.

A budget request for FY2013 is hereby submitted for $300 to continue a similar level of newsletter service.

Web Site (www.ktsaf.org):

Christopher Reeves has been appointed as Co-chair of the Membership Information Committee specifically in charge of the website in 2012.

The website was successfully redesigned and updated. KTSAF contracted with Software Information Systems for the work and negotiated a price of $1,350.00. The work was completed on time and met the requirements of KTSAF. A Foresters fund grant was received to cover $700.00. The cost to KTSAF was $650.

Our Domain Name of ktsaf.org is registered with Network Solutions (www.networksolutions.com) and is currently in service through March 23, 2013 under a 1-year contract. Our web hosting service provider is also Network Solutions and we maintain an annual service arrangement that expires on April 26, 2013. It is recommended that we continue to use Network Solutions as the provider for these services and to renew the domain name and service contract for another year before the current contracts expire. Hosting and domain name registration for 2012 totaled $159.50.

A budget request for FY2013 is hereby submitted for $160 for web hosting/domain name renewal.

Ideas and suggestions for improvements to our newsletter and website are always welcome! It is greatly desired that Chapter Chairs, or their designates, serve as “information contacts”, responsible for collecting news from their area and sending it to the committee chair for inclusion either in the newsletter or on the web. These information pathways serve as important communication tools for our organization, both internally and externally. As such, information on local news issues, committee reports, requests for input/involvement, meeting announcements, etc. are particularly useful.

Narrative for KTSAF Memorial Scholarship Committee
2012 Calendar Year

1. Dividends and interest from investments gave $261.30 of income in 2012. $600 were disbursed for scholarships ($200 per SAF student chapter). $45.00 were disbursed for the account maintenance fee. Thus, interest and dividend income from the Memorial principal was about 40% of expenses.

2. The market value of the principal investment increased in 2012 by $236.40, increased in 2011 by $1,492.15, increased in 2010 by $698.40, decreased in 2009 by $1,317.66, increased in 2008 by $1,551.06, and increased in 2007 by $671.60.

3. No donations were received in 2012.

4. Scholarship recipients for 2012 are named in the spreadsheet above. Checks were given to the recipients at the 2012 Winter Meeting (Lexington, KY).

Scholarship Recipients for 2013 (Winter Meeting in Jackson, TN)

1. University of Kentucky  Luke Biscan
2. University of Tennessee  Cameron M. Stauder
3. University of the South  John T. Mulloy
On March 14, 2002, Rick Wilcox, KT SAF volunteer historian, sent to the National Office and the K/T Chairman a copy of our Guide to the “Records of the Kentucky – Tennessee Society of American Foresters”. It was put on the Eastern Kentucky University library Web Site. It can be accessed by logging onto: www.library.edu/SCA.invent.htm.”

Two of Mr. Wilcox’s letters can be accessed on the KT SAF web site under “History Committee”. Rick Wilcox completed a centennial archive grant from the national office. A very detailed and all most complete set of records were archived from 1943-2000.

In addition Rick set up a Chronology Form to be filled out annually. These forms are complete through 2002 and are accessible on the Web under the history committee location.

Therefore, the Chronology Forms from 2003-2013 need to be completed and attached to the web file. Chronology forms are being sent to present and past Executive Committee Members for completion.

Sincerely,

Ronald L. Taylor
